## AWARD DETAILS & PROCESS

- ▶ Awards support opportunities for UFCD students who wish to attend a research conference and present their research.
- ▶ Applicants must be D2, D3 or D4 at the time of application to be considered, and research mentors must also be at UFCD at the time of application for students to be eligible.
- ▶ The targeted research conference must be prior to graduation.
- ▶ Submit a conference-ready abstract with your research mentor's pre-approval, and indicate your targeted dental research conference at least 2 months before the conference start date to be eligible for funding consideration.
- ▶ The UFCD Research Committee will review abstracts as received.
- ▶ Students are eligible for only one award during dental school at UFCD.

### HOW TO APPLY

Submit your abstract, along with designated conference information, to Denise Webb ([dwebb@dental.ufl.edu](mailto:dwebb@dental.ufl.edu)) in the UFCD Office of Research. Please copy your research mentor.
